Teachers
Students*

1. The world our children face is rapidly changing, requiring new skills and preparation to be ready for college, career, and citizenship. Blended learning provides teachers with tools to personalize learning for our students, increasing their engagement, growth and achievement.
2. Students and their parents have access to learning 24/7, and can share in skill-building.

1. Weekly teacher e-newsletter to parents highlighting blended learning in action
2. Student-produced short videos showcasing activity put on school website
3. Family Open-house to try new tools
